a) Articles that have appeared in Learned Journals:

1. **Akinwale R.P** and Ayolabi E.A, 2016. Structural Modelling and Seismic Attribute Analysis of Jay Field, Offshore Niger Delta, Nigeria. *CAG 2016 - 26th Colloquium of African Geology, Abstract Volume*, Pg. 196.
2. **Akinwale R.P** and Adeolu O.W, 2016. Appraisal of 3D Iso-Resistivity (Visual Rendering) Surfaces in Enhancing Interpretation. *CAG 2016 - 26th Colloquium of African Geology, Abstract Volume*, Pg. 152.
3. O.B. Abe, M.P. Ibitola, A.E. Akinnigbagbe, O.R. Jimoh, **R. Akinwale** and O. Solomon, 2015. Characterization of the coastal saltwater intrusion in Badagry, Lagos, South-Western Nigeria, using geoelectrical survey. *SAGEEP 2015 - 28th Annual Symposium on the Application of Geophysics to Engineering and Environmental Problems*.
4. **Akinwale R. P.**, Ayolabi E. A., Lucas B. O., Dolapo A. A., & Chika P. O. (2014, October 29). Integration of Borehole Logs and 2D Electrical Resistivity Imaging in the Investigation of Saltwater Intrusion in Lagos Island, Southwestern Nigeria. Society of Exploration Geophysicists. *2014 SEG Annual Meeting, 26-31 October, Denver, Colorado, USA. SEG-2014-1665*.

b. Articles that have appeared in referred Conference Proceedings:

1. **Akinwale R.P**, Ayolabi E.A, Akinmosin A., Williams E.E and Vivian O. 2013, Characterisation of Limestone Deposit of Ewekoro Formation using 2-D Electrical Resistivity Imaging, South Western Nigeria. *A Presentation at African Geoscience Student Conference, Lagos, 2013*.
2. Olumide A, Adeleke O, **Akinwale A.P**, Tosin A, Elizabeth J. 2013. Prospect Evaluation of Penobscot Field, Offshore Nova Scotia. *A Presentation at African Geoscience Student Conference, Lagos, 2013*.
