

Publications

1. **N. A. Ndukwe** and F.O. Jenmi (2008). Effects of Vehicular Exhaust Fumes on Urban Air Pollution in Lagos Metropolis. *Poll. Res.* 27 (3), 539-543.
2. **N. A. Ndukwe**, F. O. Jenmi, W. O. Okiei and B. I. Alo (2009). Comparative Study of Percentage Yield of Pulp from various Nigerian Wood Species using the Kraft Process. *African Journal of Environmental Science and Technology*, 3 (1), 21- 25.
3. **N. A. Ndukwe**, W. O. Okiei, F. O. Jenmi and B. I. Alo (2012). The Correlates of the Yield of Chemical Pulp, the Lignin Content and the Extractive Materials of Tropical Hardwoods. *African Journal of Agricultural Research* , 7 (40), 5518-5524,
4. **N. A. Ndukwe**, W. O. Okiei, B. I. Alo, J.P.H Van Wyk, T. M. Momabolo and C.C.Igwe (2012). Saccharification of Delignified Sawdust from Twenty Different Trees in the Lagos Area of Nigeria. *African Journal of Biotechnology*, 11(100), 16625-16629
5. **N. A. Ndukwe**, W. O. Okiei, B. I. Alo, J.P.H Van Wyk, T. M. Momabolo and C.C.Igwe (2013). Glucose Formation during Biodegradation of Kraft-Pretreated Sawdust from the Lagos Area, Nigeria. *International Journal of Environmental and Bioenergy*, 5(3), 156-163.

6. **N. A. Ndukwe**, W. O. Okiei, B. I. Alo, J.P.H Van Wyk, T. M. Momabolo and C.C.Igwe (2013). Enzymatic Bioconversion of Kraft Pulped and Oxidative Delignified Sawdust from the Lagos Lagoon, Nigeria into Fermentable Sugars. *Scientific Research and Essays*, 8(13), 493-500.
7. M.N. Igwe-Ezikpe, C. Nwahiri-Ogbu, O. Oyebamiji, **N.A.Ndukwe**, M.O. Ilori, A.H. Ogbunugafor (2013). Tropical Cellulolytic Bacteria Isolated from Hindgut of *A. evuncifer*: Potential Candidates for Bioconversion of Lignocellulosic Waste Biomass. *Journal of Basic Medical Sciences*, 1(1), 1-6.
